WORK EXPERIENCE

AI PRODUCT BUILDER

2026 – PRESENT

AQUAGOLD VIP / WEELS / OCEAN OWL

Owns digital products end to end, from framing through production: product strategy, UX/UI, AI-assisted development, QA, deployment, and client communication.

Aquagold VIP: commerce and loyalty platform for premium purchases, including payments, customer accounts, internal operations, and Shopify.

Weels: iOS and Android automotive app created from concept through store publication.

Ocean Owl: bilingual website and analytics ecosystem, plus visual identity, video, and sales materials.

HEAD OF CREATIVE

2022 – 2026

ENYA LABS / BOBA NETWORK

Led creative direction and digital production across crypto, AI, and quantum technology: brand identities, campaigns, interfaces, websites, videos, and executive materials. Rebuilt Boba Network's public website from design through production, including SEO, analytics, and a reusable WordPress system.

VIDEO & GRAPHIC DESIGN

2016 – 2022

FREELANCE – EVENTS

Managed event and client projects across motion design, social content, branding, web, print, and photography, owning the process from brief and client communication through final delivery.

ACCOUNT MANAGER

2013 – 2016

J. WALTER THOMPSON (SINGAPORE)

Regional Nikon, Nikon Lenswear, and Treasury Wine Estates work. Owned client coordination and supervised two Account Executives.

ACCOUNT EXECUTIVE

2011 – 2013

SAATCHI & SAATCHI (SINGAPORE)

Regional brand strategy and integrated Olay campaigns, followed by global Head & Shoulders work.
